

**National Conference**  
**on**  
**“Education for Sustainable Development, Goals- 2030”**  
**16<sup>th</sup> - 17<sup>th</sup>March, 2020**

**About the Conference:**

Education is the core element of the society and a foundation of democratic choice. People can only contribute and benefit if they are endowed with knowledge, skills and values. Also the capabilities and rights needed to pursue their basic livelihood. Education is a major concern for all societies. In this era of globalization, information explosion and building up of online communities the human race needs to look at things from a global perspectives which require sensitization towards others diverse needs and situations. Within this diversity there are certain common global concerns which affect us all. The challenges are diverse such as need of trained and skilled teachers, sustainable quality researches and many more. Thus the challenge is to develop an education system where everyone comes together as one community and to take responsibilities for bringing sustainability, to develop students and schools to think critically, innovate and provide effective solutions towards more sustainable patterns of living. With these prime objectives the Madhya Pradesh Bhoj Open University Bhopal, Department of Multimedia Education (DME) is organizing a Two days National conference on the theme **“Education for Sustainable Development, Goals- 2030”** on 16<sup>th</sup> to 17<sup>th</sup> March, 2020. ### **About Madhya Pradesh Bhoj Open University Bhopal:**

Bhoj University was formed in 1991 under an act by the state legislature. This University aims to spread and promote Higher Education among the under privileged and has set up study centers remote rural areas. It has collaboration with Institutes like the Rehabilitation Council of India, Indian Institute of Tourism and Travel Management and Indian Institute of Material Management etc. The University aims to provide easily, accessible system of teaching and learning through education inputs like practical classes, distance teaching, satellite communication teaching etc. Bhoj University gives special emphasis to target groups of learners coming from rural areas and especially those with special needs. Bhopal, the capital of Madhya Pradesh, is a fascinating amalgam of scenic beauty, old historic city and modern urban planning. It is the 11th century city Bhojpal, founded by Raja Bhoj, but the present city was established by an Afghan soldier, Dost Mohammed (1707-1740). His descendants build Bhopal into a beautiful city.

### **How to Reach**

Location : Madhya Pradesh Bhoj (Open) University, Kolar road (Raja Bhoj Marg), Damkheda, Chunabhatti, Bhopal

Bhopal is 741 km from Delhi, 789 km from Mumbai, and about 200 kms from Indore.

Air :- Bhopal is connected by regular Air flights to Mumbai, Indore, Delhi and Gwalior. Airport is 15 km from the city center.
